MANHATTAN BEACH

FRIDAY, MAY 10 • 6:00PM
WESTDRIFT HOTEL

Dear Friends of the Manhattan Beach Rotary Club,

We invite you to “Celebrate Manhattan Beach” with us! Our vibrant club of more than 100 members has worked to transform our beach community through numerous projects. But we haven’t stopped there. Our service commitments have improved the lives of children and families throughout Los Angeles and the world.

When you support our annual “Celebrate Manhattan Beach” fundraiser, you will be generously recognized in signage, programs, advertisements and social media exposure.

Thanks to generous contributions from people like you, the Rotary Club of Manhattan Beach was able to support a significant number of projects at home and abroad last year. Here are some examples of our commitments in 2018:

- Awarded over \$43,000 in scholarships to Mira Costa and El Camino students.
- Honored our troops and First Responders as a community at VetFest, to support Operation Mend, Team Rubicon and Bob Hope USO.
- Provided low-income students at Moffett Elementary School and other students in Lennox with vision testing and glasses in partnership with Vision to Learn.
- Packaged a record 25,000 meals to be distributed for Rise Against Hunger through feeding programs operated by partner organizations in developing countries. Meals are delivered at schools, which consequently encourages families to send their children to school.
- Our very own Rotary Cares provides labor force and financial resources to help seniors in our own community. Projects have included building a wheelchair ramp for a homebound Manhattan Beach senior, painting homes, fixing walkways, installing handrails, and much more.

Consider the huge impact a small donation from you will have on the hundreds, if not thousands of lives through the work of Rotarians worldwide. We need your help now to raise money for future worthy projects.
